Fort Adams circa 2010

Founded in 1994, The Fort Adams Trust is a 501(c)(3) nonprofit organization dedicated to the restoration of Historic Fort Adams, a "Priority I" Threatened National Landmark. The Trust has partnered with the State of Rhode Island to keep the Fort open to the public and seeks funding for its continued restoration. Fort Adams has also been used as the site of a variety of special events, most notably the Newport Jazz and Folk Festivals each summer.
